South Australian Amputee Golf Association

PRESIDENT'S MESSAGE

Hello and welcome to everyone,

I would like to officially welcome you all to the 2009 South Australian Amputee Golf Open. It doesn't seem like twelve months since our Inaugural South Australian Amputee Golf Open but time flies when you're enjoying yourself! I must say that it has been a privilege to act as President of S.A.A.G.A. for another year.

We have all come a long way since the inception of the First Swing Golf Clinics with S.A.A.G.A. attracting many new members including an increase in the number of juniors. I have introduced First Swing Clinics to country regions of South Australia as well as Tasmania and will continue to build on these ventures with your support.

We have a great turnout again this year with many new faces as well as our regulars. To our overseas competitors, I thank you for your support and appreciate the distances you have travelled to be with us. To our many interstate visitors from WA, Vic, NSW and Qld, thank you for supporting Amputee Golf in Australia.

A special thank you goes out to all our volunteers who have kindly donated their time to assist during the Tournament.

I would also like to thank my many sponsors as without your support none of this would be possible.

I wish everyone a great time and look forward to seeing you out on the golf course.

Remember you're all winners.

Enjoy!

Gary Hart
President
