

A message from Mike Rann

Once again, I welcome all players, sponsors and supporters to the 2009 South Australian Amputee Golf Open.

Following the success of last year's inaugural event, I have no doubt that this year's Open will set a new benchmark for both competition and camaraderie.

Under the enthusiastic presidency of its founder, Gary Hart, the South Australian Amputee Golf Association continues to grow in profile and ambition.

This tournament provides a terrific opportunity for players to not only strive for success, but also to celebrate their achievements and to foster the sense of spirit and community that sporting endeavor has a universal ability to generate.

For those who are visiting Adelaide for the first time, I hope you take the opportunity to experience some of the fantastic food, wine and cultural attractions that our State has to offer.

To those of you who were part of last year's inaugural Open, I say simply 'welcome back'.

And to everyone involved in the South Australian Amputee Golf Open, I congratulate you on the event's success to date and wish you all the very best for the future.
