

AMBASSADOR'S MESSAGE

Hello and welcome to all the participants of the 2009 South Australian Amputee Golf Open.

As disappointed as I am that I am unable to attend this year's event, I am honoured to be the Ambassador for the S.A.A.G.A. This association is truly inspiring to watch as it grows, with the leadership and enthusiasm that Gary Hart (President) displays in his works to continually build the association. The South Australian Amputee Golf Open is just one of the many events that Gary puts together to encourage Amputees around the globe to show off their amazing abilities on the golf course!

The golf day brings so much inspiration and displays a huge amount of courage and determination through the amputees - it is just so amazing to see.

I wish all the participants the best of luck but more importantly a fantastic day full of enjoyment!

I hope to be there for next year's event and i wish everyone happy golfing!!

Stephanie
